Welcome to our Word Search Game!

This game has three game modes:

Normal Puzzle

This mode has three different difficulty levels.
Level 1 has a 5x5 grid and up to 3 words to be found,
level 2 has a 7x7 grid and up to 5 words to be found,
Level 3 has a 10x10 grid and up to 7 words to be found.

Daily Puzzle

This mode is set to difficulty level 2 and has a new puzzle every day.
You can play the game, earn reward points, and see your score on the
leaderboard shown on the left side of this landing page.

Design Puzzle

You can design your own puzzle and save it to our database so that other
others can play it in the future.

Share Scores

You can share your scores to the leaderboard in normal puzzle and daily
puzzle modes either by username (only if you'are logged in) or
anonymously.
